

A tiny speaker doesn't  
have to mean tiny sound.

Investigate the latest big  
thing in micro-speaker  
technology.

*Mirage*<sup>®</sup>

The Mirage™ Nanosat™ speaker is a new direction from a company with a rich history of engineering accomplishments.

The Nanosat™ features a unique design utilizing a high dispersion technology resulting in sound that is accurate, transparent and neatly squeezed into a shapely cabinet the size of a handful of popcorn.

See and hear the latest in home entertainment with exciting new products arriving daily.
