

MARTIN LOGAN "TRUTH IN SOUND" TOUR WILL BE HERE - ONE NIGHT ONLY - WITH THE SPECTACULAR \$25,500 CLX ART

Genesis Audio Ltd. is now an authorized RESERVE™ Dealer for Martin Logan, which means we carry the entire line of Martin Logan products.

The new speaker line from Martin Logan is special... all you have to do is listen.

Electrostatic speakers have always had a special "magic" and nobody does it better than Martin Logan.

We will be showing a complete ML line up: MONTIS, ETHOS, THEOS, ESL, on-wall, in-wall speakers and their brilliant line of subwoofers, DESCENTi and DYNAMO.

This projector sets new standards of performance, specifically: clarity, brightness, and contrast. Picture resolution is more than 4 times 1080p and provides superior large screen resolution and fills your field of vision with incredible clarity and detail. You'll feel like you're right in the movie.

- Panel of 4K or 4,096 x 2,160 / 8.8 million pixels, compared to 1920 x 1080 / 2.2 million pixels
- Upconversion from any video source to 4K
- True anamorphic 2.35 mode
- DCI's 12-bit color - over 68 billion colors
- 2,000 ANSI Lumens
- Contrast ratio of 1,000,000 to 1

SONY VPL-VW1000ES PROJECTOR THE FIRST 4K PROJECTOR ON DISPLAY IN CENTRAL OHIO

MOON EVOLUTION SERIES INTERNATIONALLY ACCLAIMED REFERENCE ELECTRONICS WILL BE POWERING THE CLX ARTS

MOON has, over the last three decades, been quietly building a tremendous reputation. MOON Audio swept the Absolute Sound Editors' Choice Awards. This is impressive, not only because they received nine awards, but because they received nine awards for products in all price ranges. From the modest to the ultra high-end. From \$650 to \$16,000. Very few companies can boast such a broad product line AND excel at it. Very well done. We carry the full line of MOON products.

MOON Evolution Series
P8 - Reference Dual Mono Preamp
W8 - Reference Dual Mono / 250 watts ch.
650D - Reference DAC / CD Transport
This equipment totals well over \$40,000. However, the quality it imparts to the music is immeasurable. Come and hear what MOON Reference quality components can deliver.

Martin Logan national "Truth in Sound" tour will be here for the TRIFECTA night only, giving exclusive demos of the coveted \$25,500 CLX ART. You will experience sound reproduction like you've never heard, from the world's finest full-range electrostatic line source, the CLX ART.

WINE & CHEESE TASTING

Wine & Cheese sampling provided by our friends next door, at the Wine Guy Wine Shop. The Wine Guy will have terrific pairings of fantastic wines with exceptional cheeses. This tasting benefits the Arthritis Foundation's 30th Anniversary Classic Auto Show & Cruise In. Donations are encouraged.
